Invitation

Dear friends, academicians & respected colleagues.

On behalf of World Academy of Neurological Surgery executive committee & the University hospital of Zurich, It gives us the distinct pleasure to welcome you to:

“The 100 Yaşargil Anniversary Symposium” in collaboration with the
“World Academy of Neurological Surgery (WANS) special interim conference”
to be held in Zurich 4th -7th July,2025

Conference Moto “Celebration of Microneurosurgery

This year marks a significant milestone in the history of neurosurgery, celebrating 100th birthday of the legendary Professor M.G. Yasargil. This special academic collaboration is dedicated to honor Professor Yaşargil for his unparalleled contributions that have shaped the modern art of neurosurgical practice and science and inspired generations of neurosurgeons and scientists worldwide. This elite level of academic assembly signifies a unique opportunity to promote high quality neurosurgical practice, exchange cutting edge knowledge, innovation and foster collaboration and camaraderie within the international neurosurgical community.

Looking forward to welcome you at this memorable academic joined meeting in the charming city of Zurich and celebrate together the art of microneurosurgery and honor its founder.

Best regards,

Prof. Imad N. Kanaan
President, World Academy of
Neurological Surgeons (WANS)

Prof. Luca Regli
Chairman Dept. of Neurosurgery
University Hospital Zurich (Local host)
